- converted into interest free security deposit, which shall be released on successful completion of the work.
10. In-case of quality of material found to be not of appropriate quality as per relevant IS Codes of Civil Construction, JMF reserves the right to take appropriate action.
 11. Payment Terms: 95% payment against submission of Invoice/Bill duly certified by JMF Authorized Personnel /Engineer.
 12. Remaining 5% retention amount of the submitted bill will be retained as 'Security Deposit'.
 13. The retention amount (5% of the gross amount of bill) shall be deducted from each bill submitted by the contractor which shall be refunded after successful completion of defect liability period which is 12 months from the date of completion of job.
 14. The Time allowed for completion of the work is 60 days and the date of commencement shall be reckoned from the 7th day of issue of award letter.
 15. Before tendering, the tenderer shall inspect the site to get fully acquainted about the site in regard to accessibility of site, nature and extent of ground working condition of site, its locality including stacking of materials, installations of tools and plants (T&P) etc., conditions affecting accommodations and movement of labour etc. for the satisfactory execution of the work contract. No claim whatsoever on such account shall be entertained by Jharkhand Milk Federation (JMF) in any circumstances.
 16. No material will be issued by the JMF department. Contractor has to arrange all the materials at his own cost at site.
 17. Any damage done by the Contractor to the existing structure/ fittings/fixtures shall have to be repaired/ constructed by the contractor, at his own cost. In failure to do so, the necessary cost for repairing/ constructing of such structure/ fittings/fixtures shall be recovered from the final bill of the contractor.
 18. The quantities mentioned in the schedule of work may decrease or increase as per the site conditions. Payment shall be made on the basis of actual measurement of works.
 19. The materials (Cement/ Steel) required to execute the work shall be of approved make or brand as mentioned in **Annex-III**. All construction works should be carried out as per the relevant IS-Codes for civil construction.
 20. The Tender submitted shall remain valid for 90 days from the date of opening for the purpose of acceptance and award of work, validity beyond 90 days from the date of opening shall be by mutual consent.
 21. The tenderer shall quote rates both in figures and words. He shall also workout the amount for each item of work and write in both figures and words. On checking if there are differences between the rates quoted by the tenderer in words and in figures or in the amount worked out by him, the following procedure shall be followed:
 22. When there is a difference between the rates in figures and in words, the rates which correspond to the amounts worked out by the tenderer shall be taken as correct.
 23. When the amount of an item is not worked out by the tenderer or it does not correspond with the rate written either in figures or in words, the rate quoted by the tenderer in words shall be taken as correct.
 24. When the rate quoted by the tenderer in figures and in words tallies but the amount is not worked out correctly the rate quoted by the tenderer shall be taken as correct and not the amount.
 25. Except writing rates and amount, the tenderer should not write any conditions or make any changes, additions, alterations and modifications in the printed form of tenders. Tenderers
